

# THE FRAMLAND HUNDRED LOGO

The Founders of The Framland Hundred Lodge No. 9453 were keen that their new Lodge should have a logo which reflected the traditions of the Framland Hundred itself. The original logo of our Lodge was therefore created by John Docherty using items sourced by Edward Morris that are inextricably linked with the local Framland area. Set against the rolling green landscape you can therefore see the fox, riding hat and crossed riding crops from the famous Belvoir Hunt along with the Round of Stilton Cheese from Colston Bassett and finally the unique Melton Mowbray Pork Pie traditional to the town where our Lodge meets.'
